

MMA Annual Meeting 2020

KP Law was thrilled to see so many of you in Boston for the MMA Annual Meeting. Thank you for spending some of your time with us!

We enjoyed talking with you about the latest trends in municipal law, and how we can provide assistance in these areas. On Friday, Katie Laughman once again presented to a packed room on the topic of marijuana regulation, and Brian Riley and Lauren Goldberg addressed a room full of eager listeners about the elements of alcoholic beverage sales and entertainment licensing. On Saturday, Matt Feher demystified municipal borrowing at one of the Learning Labs, and, Lauren Goldberg outlined trending Open Meeting Law and other transparency-related challenges, including so-called “First Amendment Audits”.

We were delighted to sponsor WEMO again this year. We were inspired by the words of Secretary of the Air Force Deborah Lee James and Attorney General Martha Coakley, and were truly enthralled by the humorous and meaningful stories told by ESPN reporter Jackie MacMullan.

Our 6th Annual Hospitality Reception was well attended and lots of fun. We loved hearing about your families, friends and travel adventures! It was terrific, as well, to see so many of you at the Members Breakfast on Saturday (held at a better time for early birds!), a KP tradition for decades.
